

## DEAR GUESTS!

**Do you comply conditions: tested or recovered or vaccinated?**

**Our employees do.**

We would like to inform you that in accordance with the temporary restriction on offering and selling goods and services to consumers in the Republic of Slovenia, regarding COVID-19, you can enter our restaurant only if you have a proof of fulfilling one of the following conditions:

- I have a **certificate for a negative test** result for SARS-CoV-2 (with PCR or HAG), that isn't older than 48 hours,
- I have **vaccination card** for COVID-19, which proves that:
  - o I received a second dose of Biontech/Pfizer at least 7 days ago or Moderna at least 14 days ago or Sputnik V. at least 14 days or Sinovac Biotech at least 14 days ago or Sinopharm at least 14 days ago,
  - o I received a first dose of AstraZeneca od Covishield of India/AstraZeneca at least 21 days ago,
  - o I received a dose of Johnson and Johnson/Janssen-Cilag at least 14 days ago.
- I have a **certificate for a positive PCR test result, that is not older than 10 days**, unless the doctor says different, but it is not older than 6 months,
- I have a **certificate for recovering from COVID-19 that is not older than 6 months**.
- I have a **certificate for recovering from COVID-19 that is not older than 8 months and I have received one dose of vaccine**.

If you do not wish to declare yourself regarding above listed conditions, your entry may be declined.

Please observe the limits for a maximum of 4 people for the same table.

Conditions (tested or recovered or vaccinated) and the number limit of persons per table does NOT apply to persons who have not yet reached the age of 18 and are together with close family members or guardians inside the restaurant.

Thank you for your understanding and we wish you a pleasant time in our company.

**WELCOME!**

**Team Hit Alpinea**
